Reg. No. 39,564

Sir:

COMMENT ON REASONS FOR ALLOWANCE

This paper is being filed in response to the Examiner's Statement of Reasons for Allowance. Applicants believe that the prosecution *as a whole*, including the claims and specification of the present application, makes clear the reasons for allowance thus satisfying 37 CFR 1.104(e). As such, the comments by the Examiner in the Reasons for Allowance serve only to confuse an otherwise clear record, should not be construed to place unwarranted interpretations upon the allowed claims, and should not give rise to any implications therefrom.

Respectfully submitted,
DINSMORE & SHOHL LLP
